DETAILED ACTION

Allowable Subject Matter

1. Claims 1-17 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claim 1 is believed to be allowable over the cited prior art. Kafka discloses a laser system structurally similar to the claimed invention as recited in claim 1. However, Kafka fails to disclose the limitation "a pulse stretcher" because Kafka discloses a four-prism structure which is only used for dispersion compensation, but is silent regarding its use for pulse stretching, and it would not have been obvious to replace such dispersion compensation element with a pulse stretcher as required by claim 1. Claims 2-17 are also allowable as they directly or indirectly depend on claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to YUANDA ZHANG whose telephone number is (571)270-1439. The examiner can normally be reached on Monday-Friday, 9:00am-5:00pm EST.
